(b)(3) (b)(6),

As (b)(3) (b)(6) mentioned, we’re requesting vaccinations for ten individuals on Tues morning, 22 Dec. Several in the FO suite will be out the week of 28 Dec, and we don’t want to delay their vaccinations by two weeks if avoidable. Appreciate your support on this request and your efforts to secure vaccinations for our workforce.

Thanks again for the meeting today, your collegiality is appreciated.

In discussions with the DNI/FO, I was reminded that the DNI will be away (on travel) starting Wednesday of next week. He won't be back until 3 January.

Given what we discussed rel to Pfizer and some availability, the DNI/FO is requesting that the DNI and his absolute immediate staff (up to 10 people) be vaccinated in the morning on 22 December (Tuesday). Is this possible?

Thank You,

Colleagues,

Update:

- OMS can administer 40 (or more) vaccinations tomorrow between 1200-1530;
- Location: OHB Mezzanine. / Why not LX-1? They are close to being setup, but not quite there yet. Medical equipment needs to be moved from OHB to LX and that won't be done until later in the day tomorrow. It's either OHB or the next opportunity is Monday of next week.

Given the issues with vaccine delivery and infighting at the WH, I suggest we load this session with a larger list of the most important (on-duty) officers who need to be vaccinated. This is a rare opportunity until we get a large delivery.

My suggestion-

- All FO staff;
- DPS;
- PTT Staff
- Top critical PDB staff (focus- those working the transition)
- Core seniors who are around the DNI and PE on a recurring basis;
- COG-critical staff.

V/R,

(b)(3)

I need to compile a list of names and DOBs posthaste. Any help you can provide would be greatly appreciated.

On the note below, the request includes about 40 people. The Principal Executive is driving up from Charlottesville on Wednesday and would like to be vaccination. The DPS agents, similar to your test/dry run group, would be available for the vaccine and are included in the 40 est.

Can we make this work at LX-1 on Wednesday? My team will work with the FO and gather the names and DOBs etc.

(b)(3) (b)(6), per our discussion today, request the ability to vaccinate a few more on Wed, 30 Dec. Can you accommodate 11:00 am or 1:00 pm?

Is it possible to do this at LX vice OHB? You should be setup, and ready to go, in the LX1 auditorium by then. If so, I may suggest we include a few more (e.g. DPS agents and SPS officers on duty). Let me know soonest so I can confirm with Neil and (b)(3) (b)(6).
