Director Haines – The team sent in a RAH for your call with GEN Nakasone on Tue, but I wanted to flag directly the items that George indicated Paul might want to discuss. Understand you’ve already spoken on the first two, but they still flagged them for potential followup. Also, the third item related to (b)(1) was just sent over today, so I expect that is a direct add from DIRNSA. I doubt you’ll get to all the topics, but wanted to flag. VR Jeff
